HAND DELIVERED

Re: Foundation Work Planned

Dear Residents:

As part of the on-going maintenance of the building and as required by the City, the Association has hired Carter Construction (962-5889) to shore up the foundation of your building.

The work is scheduled to start on February 3, 2011, and, hopefully, if all goes well, should be completed around March 18, 2011. Each day, Monday – Friday, the work will begin around 7AM and should be finished by 3:30PM. No work is planned to be done on the weekends.

There is nothing that you need to do. However, like any other construction project, there will be noise from various equipment and people working under the building. The workers will try to minimize any and all inconvenience. We apologize in advance for the situation.

Thank you in advance for your patience. Please feel free to call if you have questions.

Sincerely,
EUCALYPTUS GROVE OWNERS ASSOCIATION
